ORDINANCE NO. 28774**AN ORDINANCE OF THE CITY OF SAN JOSE PROVIDING FOR AN
ALTERNATIVE ALLOCATION OF COSTS OF PROVIDING MEDICAL
INSURANCE COVERAGE FOR CALENDAR YEAR 2010**

WHEREAS, both the Federated City Employees Retirement System ("Federated System") and the Police and Fire Department Retirement Plan ("Police and Fire Plan") provide for medical insurance coverage for eligible retirees and survivors; and

WHEREAS, the Federated System and the Police and Fire Plan further provide for an allocation between the retiree or survivor and the Medical Benefits Account in the respective retirement funds of the costs of the premiums for such coverage; and

WHEREAS, recent changes in the medical plans made available to City employees have affected the amounts to be paid by retirees and survivors for medical insurance coverage; and

WHEREAS, the City Council desires that such changes not affect retirees and survivors during calendar year 2010 in order that retirees and survivors have sufficient time to review the plans during the open enrollment in November 2010;

SAN JOSE:**

A. Except as provided in subsection B:

1. For a retiree or survivor who has elected single coverage, the portion of the premium to be paid from the Medical Benefits Account shall be the lesser of (a) the amount which is equivalent to the 2010 premium for

2. For a retiree or survivor who has elected family coverage, the portion of the premium to be paid from the Medical Benefits Account shall be the lesser of (a) the amount which is equivalent to the 2010 premium for family medical insurance coverage for the Kaiser Permanente Plan that was in effect for calendar year 2009, or (b) the actual premium for the eligible medical plan in which the retiree or survivor enrolls.
 3. Retirees and survivors shall pay that portion of the premium which represents the difference between the cost of the premium for the medical plan selected by the member or the survivors and the portion paid from the Medical Benefits Account. Such premium as is required to be paid by a retiree or survivor shall be deducted from the allowance payable to such retiree or survivor by the Federated City Employees Retirement System.
